

500DVH Direct Vent Gas Fireplace

Introducing the 500DVH - new from Majestic. This 21 inch deep direct vent fireplace will make a big impact in any room with a selection of designer facings and optional Tavern Brown or Cottage Red firebrick. A standard ceramic glass front offers a large 731 square inch viewing area and its 85% efficiency rating from CSA makes it an ideal heat source. With a Limited Lifetime Warranty and deluxe illustrated control panel, the 500DVH from Majestic combines simple operation with design sophistication.
