

Cameo & Onyx Direct Vent

MAJESTIC 

## Cameo & Onyx Direct Vent

Nothing invites or delights like the dancing flames of a fire and, in homes today, we've been inspired to include this warmth in our bedrooms and bathrooms as well as our family rooms and studies. Create the beauty of a hearth in your home and you'll enjoy the inspiring warmth of the fire inside.

With up to an incredible 902 square inches of viewing area and up to 34,000 BTU's, the Cameo 500 and 600 and Onyx 500 direct vent fireplaces from Majestic will become the center of your home. Available in a variety of sizes to suit any design requirements, the Cameo 500 and 600 can be customized to suit your personal taste.

Choose from multiple trim options, louver finishes, firebrick choices and even multiple decorative front frames or fire screen doors to create your custom look inspired by your home's décor. Bring the ambient warmth of the fire inside: warm up to a Cameo or Onyx direct vent fireplace from Majestic.

The Cameo direct vent fireplace (DVM)

Give people a place to gather - make fire the focal point of your room again with the Cameo and Onyx series from Majestic.

The Onyx direct vent fireplace (DVML)

The Onyx direct vent fireplace (DVML)
