BY-PASS

This premium enclosure is the ultimate in luxury for any bath environment.

Our specially engineered system gives each enclosure a contemporary look with a full complement of extrusions that are a snap to install.

This system's polished edge glass and heavy duty extrusions, which are polished prior to anodizing to provide an extra measure of sheen and remove any imperfections, complement any decor.

This attractive door system can accommodate $\frac{1}{4}$ or $\frac{3}{8}$ inch glass and is available in most standard and custom configurations in a variety of colors, including gold, silver, white, brushed nickel and oil-rubbed bronze.

Signature

BY-PASS

An open airy feel can be created in any bathing environment with a Signature By-Pass custom enclosure.

The Signature By-Pass series offers a full complement of extrusions to make custom units a snap to install. Enclosures are available with 90°, 135° or 180° posts and are flush-glazed for a cleaner, more contemporary look.

Whether you need one in-line or multiple return panels, the versatility of our Signature By-Pass series is the perfect complement to any bathroom.
