

STARTER HOME

The features you want in a brand you trust. This value product line provides security and peace of mind at an affordable cost. It includes ANSI grade 3 deadbolts, solid-forged brass Dakota handleset and Kwik-Install installation features on all knobs.

FIRST MOVE-UP

Maximum Features for the Money. Kwikset Maximum Security combines powerful residential security with upgraded strength features and a wide range of fashionable styles and finishes. Deadbolts are ANSI grade 2; the Gibson solid forged-brass handleset includes 2-point locking, and all knobs feature Kwik-Install no-hassle installation.

SECOND MOVE-UP

Kwikset UltraMax Signatures is the best style and security you can buy. The new elegantly designed solid forged brass handlesets and the Laurel egg knob are available in designer finishes such as Venetian bronze and satin nickel. Designer styled ANSI Grade 1 deadbolts provide superior resistance against forcible entry. Kwik-Install, featured on all knobs, includes a twist-fit mount plate and pre-installed screws for flawless installation and reduced callbacks due to lost screws, screw stripping and on-the-job dings and scratches.

FEATURES

- ANSI Grade 2 Deadbolt Security
- Full 1" Solid Core Throwbolt
